

# Olive Nursery Plants

## Application Procedure

Six step procedure:

1. Application receipt and scrutiny
2. Site visit by officers, discussion with farmer; eligibility
3. If eligible farmer is requested to attend training for orchard establishment
4. Farmer makes preparations for irrigation & orchard plantation
5. Preparations are verified by Project's officer
6. Farmer is advised to collect plants from respected project's collaborating unit, if officer certifies arrangements completion at farmer end.
